PROFESSIONAL EXPERIENCE

Dedicated and versatile developer with a robust track record of building and optimizing web and mobile applications. Eager to bring technical skills and a passion for innovative solutions to a dynamic startup team. Excels in environments that champion collaboration and learning, aiming to grow from junior to mid-level by leveraging hands-on experience and a strong foundation in software development.

PROFESSIONAL EXPERIENCE

Freelance Developer

2018 - PRESENT

Web & Mobile Developer

- Developed 'Window Counter Pro', a mobile app for window cleaners that simplifies job estimations, achieving over 2,000 downloads on iOS and Android.
- Created 'Thailand Explorer', a web app promoting tourism in Thailand, integrating APIs like YouTube, Wikivoyage, and Google Maps to generate dynamic content.
- Enhanced e-commerce platforms by building custom Shopify themes and features, including a popular "build your own box" feature for an online macaron store.
- Redesign of Oceanfront Hacienda website, improving user engagement. Integrated booking APIs to streamline reservation processes.

PROJECTS

- Window Counter Pro - Mobile app to assist window cleaning professionals with job estimates.
- Window Cleaning Estimate App - Landing page for my newest iOS App.
- Macaroner Build-Your-Own-Box - Customizable product feature for a Shopify store.
- Thailand Explorer - A travel web app that provides randomized, location-specific travel tips and booking options.
- Oceanfront Hacienda - Website redesign and interrelated online booking.
