OBJECTIVE

Seeking Shopify Developer position where I can best use my fundamental knowledge of Shopify 2.0 technologies needed to create and modify themes.

EXPERIENCE

Shopify Developer
ModnApps, Remote
December 22 to present

Shopify theme development and theme customization. Landing page development and optimization..

Freelance Shopify Developer
Your Shopify Guy, Long Beach, CA
April 22 to present

My brand dedicated to helping people with Shopify development and theme customization .

Mobile Developer Founder
Ongo Mobile, Long Beach, CA
October 18 to April 22

My most successful app is an app for window cleaners that solves a problem with estimating jobs. I built the iOS version with SwiftUI and the Android version is built with React Native.

SKILLS

HTML, CSS, JavaScript

Liquid, Shopify 2.0

React, Vue, Alpine JS

Copywriting, Digital Marketing

Social Media, Graphic Design
